

SP-VHF Club

**hereby invites all licensed radio amateurs outside of Poland to participate in the
JT-65a Tropo Contest**

1. Date of contests

- 144 MHz – 9th April 2011 06.00 – 10.00 UTC
- 50 MHz – 11th June 2011 10.00 – 14.00 UTC
- 432 MHz – 20th August 2011 06.00 – 10.00 UTC

2. Type of emission

Contacts can be made in JT65a only

3. Contest sections

SP – open class SP station

OP – open class outside SP

Single and multi operators participate in same section.

4. Contacts

Each station may only be worked once, whether it is fixed, portable or mobile.

Contacts made via active repeaters, MS or EME do not count for points.

Skeds via ON4KST or JT65 Terrestrial (N0UK) are allowed.

5. Contest exchanges

Callsigns, signal report in dB (e.g. -11 JO74) and 4 sign Locator. No QSO number is needed!

6. Scoring

1 point/km (sked = random). No multiplier.

7. Entries

The entries must be sent in electronic form in REG1TEST format. Strength of the signal in dB (without “-“ sign) should be place in the RS field. In case your logging software (e.g. TACLOG) does not accept one digit reports please add 0 or 5 digit in front – e.g. -9 dB will be 09 or 59.

Entries should be sent to the following email address: vhfcontest@pk-ukf.org.pl not later than in the second Monday after the contest (14 days).

8. Awards

The first three stations in each section, will receive Contest Award.

Winner of all three contests in each section will receive Trophy.

All participants will receive diplomas.
